

NCAA Compliance Statement

National Athlete Index (“NAI”) operates as a recruiting and scouting service in accordance with applicable NCAA bylaws, policies, and procedures.

NAI was approved on **January 22, 2026**, by the **ECAG (Eligibility Center Advisory Group)**. As a result of this approval, **NCAA Division I football and/or basketball coaches are permitted to subscribe to and use this recruiting/scouting service** in compliance with NCAA regulations.

NAI does not rank athletes, guarantee recruiting outcomes, or influence recruiting decisions. The platform provides structured athlete information and recruiting education to support efficient evaluation by college programs. All recruiting decisions remain solely with college programs.

Approval by ECAG and compliance with NCAA regulations do **not** constitute endorsement by the NCAA.
