

# National Athlete Index Disclaimer

National Athlete Index (“NAI”) is a recruiting profile and education platform designed to support the presentation and evaluation of athlete information. NAI does not influence, control, or make recruiting decisions.

All recruiting decisions, including evaluations, offers, roster spots, scholarships, and commitments, are made solely by college programs.

---

## No Guarantees

NAI does **not** guarantee:

- Recruitment by any college or program
- Scholarships, offers, or roster positions
- Exposure, visibility, or evaluation by coaches
- Any specific recruiting outcome

Use of the platform does not imply or create any obligation for a college program to evaluate, contact, or recruit an athlete.

---

## No Rankings or Evaluations

NAI does **not** rank athletes, score athletes, or provide comparative evaluations.

Any certificates, badges, or indicators displayed on athlete profiles reflect **educational completion or profile status only** and are **not** assessments of athletic ability, potential, or recruiting value.

---

## Education Programs & Certificates

NAI offers recruiting education programs intended to improve understanding of the recruiting process.

- Completion of programs indicates participation in educational content only

- Quizzes are used to confirm understanding, not performance
- The NAI Education Certificate does not influence recruiting decisions
- Certification does not guarantee recruiting opportunities

Recruiting education is intended to promote clarity and preparedness, not outcomes.

---

## **Accuracy of Information**

Athletes and families are responsible for ensuring that all information submitted to the platform is accurate, complete, and current.

NAI does not independently verify athletic performance claims and is not responsible for inaccurate, misleading, or incomplete user-submitted information.

---

## **Coach Access & Use of Information**

College coaches access athlete information for evaluation purposes only.

NAI does not control how coaches use information once accessed and is not responsible for recruiting actions or decisions taken by third parties.

---

## **NCAA Compliance**

This recruiting/scouting service has been approved in accordance with NCAA bylaws, policies, and procedures. NCAA Division I football and/or basketball coaches are permitted to subscribe to this recruiting/scouting service.

Approval does not constitute endorsement by the NCAA.

---

## **Limitation of Responsibility**

NAI is not responsible for:

- Recruiting outcomes

- Decisions made by college programs
- Communication between athletes and coaches
- Missed opportunities or perceived disadvantages

Use of the platform is at the user's own discretion and risk.

---
